of Correction

Re: **RECONSIDERATON FOR CERTIFICATE OF CORRECTION**

Dear Sir:

We filed a request for Certificate of Correction for Fig. 22 on January 5, 2006. However, we were notified that our request will not be considered unless a new corrected formal drawing figure 22 is submitted and approved.

Please note that a formal drawing figure 22 was originally submitted to the Office with a response to the Notice of Missing Parts on July 13, 2001. Please note also that a copy of the formal drawing figure 22 was included when we filed the request for Certificate of Correction on January 5, 2006 as shown in PAIR.

Please reconsider our request and issue a Certificate of Correction. As this error appears to have been made at the U.S. Patent and Trademark Office, we believe no fees to be required. However, should any fees be necessary for this request, please charge them to our deposit Account No. 11-1410.

Enclosed in support of this Request are the following:

- (X) A copy of the Certificate of Correction, Communication letter, formal drawing figure 22 and stamped return postcard submitted to the Office on January 5, 2006.
- (X) Return prepaid postcard.

Re: Title: CHARACTERISTIC CONTROL DEVICE FOR CONTROL SUBJECT
Letters Patent No. 6,961,625 B2
Issued: November 1, 2005
Our Reference: FY.16706US0A

Dear Sir:

Enclosed for filing is a Certificate of Correction in connection with the above-identified patent.

It is noted that errors appear in Fig. 22 of this patent of a clerical nature or character regulated in 37 C.F.R. §1.322. A certificate of correction is requested.

Attached hereto is Form PTO-1050 with one copy of formal drawing of Fig. 22 being suitable for printing.

As the errors cited in the Certificate of Correction were incurred through the fault of the Patent Office, no fee is believed to be required. However, please charge our Deposit Account No. 11-1410 for any fees that may be incurred with this request.

Respectfully submitted,

Knobbe, Martens, Olson & Bear, LLP

CERTIFICATE OF CORRECTION**

PATENT NO. : 6,961,625

DATED : November 1, 2005

INVENTOR(S): Ichikai Kamihira

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

In Fig. 22, Characteristic Graphic Display for Control Parameter Candidate 1, 2, 3 & 4 and Evaluation Values are indicated without shades. However, the display should partially contain shades as appears in the attached formal drawing of Fig. 22.
